

SHADE SAILS & STRUCTURES

Copelands & Pickers design & manufacture a complete range of shade sails and also supply a range of shade structures which are made to order to suit your requirements

Shade Sail Solutions

- Domestic & Commercial Shade Sails
- Waterproof Shade Sails
- Horticulture Shade Covers
- Hail Net Vehicle Covers
- Privacy Fence Screening
- Sand Pit Covers

Made to order in our Brisbane based factory using computerised technology to design and plot any shape or style of shade covering

Features

- Double folded interlocked seams & double folded edge pockets (no raw edges)
- Reinforced corner gussets with extra webbing straps (heavy duty)
- PTFE UV stabilized long lasting thread
- Stainless steel corner rings supported by webbing straps
- Webbing edge protection on each pocket at cable exit
- Stainless steel cable & corner fittings
- Twin needle double stitching to all seams & edge pockets

Shade Structures

Using high grade tensile steel with galvanised or powder coated finish engineered to suit regional wind ratings. Complete with commercial grade shade cloth covers Copelands & Pickers can assist you with shade protection all year round.

Materials

Highest quality commercial grade shade cloth & waterproof PVC.
